

## About Us

Residential security doesn't stop at home security. At Ideal Security & A/V we offer services beyond security, we offer home maintenance services such as: pest prevention, winterization services, sprinkler and irrigation maintenance and more!

Call or email us for a fast and friendly estimate. You determine the scope of the project, and we build a solution to fit your individual needs.

## What We Do?

---

We specialize in all things security. We protect your home or business from the door to the cloud. Security isn't just cameras and alarms, maintaining your home whether it's pest control, preventing water pipe leaks or prepping your home for winter is just as important! Ideal Security & A/V offers all of these services.
